About Us

Crafting quality fasteners for over 50 years! We're proud to be a part of the Kolhapur community, where art and education come together.

#DudhaneMeansFasteners #QualityFirst

T.S. Dudhane Group of Industries was founded in 1970 and is an ISO 9001-2000 company that manufactures high tensile fasteners. In a nutshell, people recognize us as "Dudhane means Fasteners." The company is in the Kolhapur district, which is known for its art, education, industry, and sports.

We supply precision quality products to our state's and country's leading Automobile, Valve, Domestic, and Agricultural industries.

It is the first unit in the Gokulshirgaon MIDC to receive ISO 9002. Under one roof, we have manufacturing facilities for hot forging/upset forging, heat treatment, electroplating, CNC machine shop, thread rolling machine, and professional engineers and skilled employees.

We are known for our precision, quality, and timeliness! We are Dudhane Engineering Works.

OUR VISION

- ✚ The vision of T. S. Dudhane Group is to consistently supply precise quality products on-time to meet global requirements with international standards.
- ✚ Compliance with global standards for total quality management.
- ✚ Become one of the world's leading manufacturers, innovating to improve the way how the world lives and works.

OUR MISSION

- ✚ Our mission is to build a strong and profitable relations by consistently providing fair, efficient, helpful, responsive, and professional services to our clients.
- ✚ Our mission is to provide our customers with safe and cost-effective solutions to run a profitable and sustainable business.

OUR VALUES

- ✚ Honesty, Integrity, and Trust are core values that have helped the T. S. Dudhane Group of Industries survive and thrive for over 50 years. These values are at the heart of everything we do.
- ✚ From customer service to product development. The company's commitment to these values has enabled them to build strong relationships with customers and partners, ensuring that their products and services exceed expectations.
- ✚ This dedication to quality has also allowed them to remain competitive in an ever-changing marketplace. As a result, the T. S. Dudhane Group of Industries continues to be respected for its commitment to upholding these core values throughout their operations.

QUALITY POLICY

- ✚ It's our policy to meet customers' requirements for quality, quantity, Timely Delivery, and prompt service. We shall strive for growth of our organization by customer satisfaction, by bringing quality consciousness amongst employees and aiming for world class quality system.

HEALTH & SAFETY POLICY

- ✚ A strong health and safety culture is an essential part of any organization. It helps in creating a safe and healthy workplace for employees, which in turn leads to better productivity.
- ✚ Dedicated leadership is key to developing a strong health and safety culture throughout the organization. Leaders must set expectations, communicate the importance of following safety protocols, give feedback, and lead by example. They should also ensure that any violations or mishaps are addressed promptly and that adequate resources are allocated to maintain a safe workplace.
- ✚ Through constant effort and dedication from leadership, organizations can create an environment where everyone takes responsibility for their own actions as well as those of their peers.

ENVIRONMENT POLICY

- ✚ At our company, we believe that sustainability is a key element in our operations. Therefore, when it comes to selecting suppliers and using materials and resources, we make sure that they are done appropriately and carefully.
- ✚ We prioritize suppliers who have an eye for sustainability, as well as those who use eco-friendly processes and materials. This ensures that we are reducing waste and preventing pollution in the best way possible. Moreover, by selecting the right supplier for the job at hand, we can ensure that the resources used are optimally utilized with little to no wastage involved.

EMPLOYEE TRAINING POLICY

- ✚ Training and developing our people is essential to ensuring that we can deliver first-class quality service to our customers. By investing in our people, we are creating a workforce that is knowledgeable and competent in the skills necessary to provide this level of service. This investment helps us to create a team of motivated professionals who are passionate about delivering the best customer experience possible.
- ✚ By providing our employees with training opportunities, we can ensure that they are fully equipped with the skills needed for them to be successful in their role. We also strive to develop our people's communication, interpersonal and problem-solving skills so that they can effectively manage customer interactions and provide an excellent level of service. Ultimately, this training will help us maintain a high standard of customer satisfaction while also fostering a culture of continuous learning and growth within the company.

CONFIDENTIALITY POLICY

- ✚ Ensuring the confidentiality of customer data is a huge responsibility for any business. It's essential that we take all the necessary steps to ensure that our customers' information remains secure and confidential. We should have systems in place to protect against unauthorized access, use, or disclosure of customer data.
